The screenshot displays the McAfee account dashboard for user Erick Alejandro. At the top, there is a navigation bar with the McAfee logo, the location 'México', and a 'Cuenta' link. The main heading is 'Mi cuenta', with a welcome message and the user's name. Below this, there is a section for 'Mis aplicaciones' showing icons for various devices. A prominent warning message states: 'La suscripción de McAfee® LiveSafe™ mediante Hewlett Packard Consumer 30 day ha vencido y estuviste sin protección durante 26 días.' with options to 'Descartar' or 'Renovar ahora'. Below the warning, there are dropdown menus for the product 'McAfee® Total Protection with Safe Connect' and the device type 'PC'. A section titled 'Protege todos tus dispositivos' includes a plus icon for adding devices and text explaining that the subscription covers PCs, Macs, smartphones, and tablets. It provides a link to download the software and a note that it is not available for Windows 10 in S mode. At the bottom of this section, there are two buttons: 'ENVIAR VÍNCULO' and 'DESCARGAR'. A red arrow points to the 'DESCARGAR' button. The footer of the dashboard repeats the McAfee logo, 'México', and 'Cuenta'.
